**Mais voyons, que fait notre héros?
Aujourd'hui, il est pizzaiolo!**

**What path is our hero about to take?
He's now a cook, ready to bake!**

Patate arrange ses ingrédients,
il roule sa pâte en arrière et en avant.

Potato rolls a pin to and fro,
back and forth on pizza dough.

Patate se pense un grand expert,
il lance la pâte droit en l'air.

Potato thinks that he's a pro, he
tosses up his pizza dough.

La pâte tombe droit sur sa tête
et la pauvre patate rouspète.

**The dough falls right back on down,
and sticks to him, a gooey crown!**

Mais elle n'abandonne pas, la patate,
recouvrant sa pâte d'une sauce tomate!

**But our hero won't take a loss, he
starts to spread tomato sauce!**

Patate ajoute son fromage et il en fait un étalage !

**Potato adds some grated cheese, and
he spreads it with perfect ease!**

Il met des poivrons et des onions,
suivi de quelques champignons!

**Potato adds veggies for his diet,
they're so healthy, can't deny it.**

**La patate y met de la viande,
elle a faim, qu'elle est gourmande!**

**Potato adds a bit of meat,
he sure can't wait to start to eat!**

**Maintenant, il met tout au four...
Il attend le fruit de son labour!**

20 MINUTES

**Now twenty minutes to wait...
Our potato starts to celebrate!**

**Ah, non! Pauvre pomme de terre!
Sa pizza est tombée par terre!**

**But in his haste, there's an uproar!
He drops his pizza on the floor!**
